

Meeting Agenda

SUD OVERSIGHT POLICY BOARD

Wednesday, March 4, 2020 4:00 PM

Board Room – CMH of Ottawa County

12265 James Street, Holland, MI 49424

Conference: 917-408-6563**PIN: 100 148 1408**

1. **Call to Order** – Chair
2. **Roll Call/Introductions** – Chair
3. **Public Comment** – Chair
4. **Conflict of Interest** – Chair
 - a. Opportunity for declaration by any member to whom it may apply
5. **Review/Approval of Agenda** – Chair (*Attachment 1*)
Suggested Motion: To approve the March 4, 2020 LRE Oversight Policy Board meeting agenda as presented
6. **Review/Approval of Minutes** – Chair (*Attachment 2*)
Suggested Motion: To approve the December 4, 2019 LRE Oversight Policy Board meeting minutes as presented
7. **Regular Committee Business**
 - a. Budget Status Report – Maxine Coleman
 - i. Statement of Activities – January 2020 (*Attachment 3*)
 - b. FY2020 Budget Amendment #1 (*Attachment 4*)
Suggested Motion: The Oversight Policy Board approves the amended allocation of PA2 funds as presented and recommends that the LRE Board of Directors approve the non-PA2 fund budgets for SUD services as presented
8. **Old Business**
9. **New Business**
 - a. Welcome new members (*Attachment 5*)
 - b. Election of officers 2020
 - c. Bylaw Review
 - i. Meeting frequency
 - ii. Licensing application process
 - d. Mercy Life Counseling - Muskegon/HW Plan (*Attachment 6*)
 - e. Change in Regional Prevention Service Providers

10. **SUD Director Update** – Stephanie VanderKooi (*Attachment 7*)
 - a. MDOC
 - b. Tobacco21 Legislation (*Attachment 8*)
 - i. Legislation Activity Grid Review – (*Attachment 9*)
 - c. Talk Sooner Campaign (*Attachment 10*)
 - d. GAIN Implementation – on hold
 - e. Vaping Prevention Strategies
 - f. Gambling Disorder Regional Meeting July 29 (*Attachment 11*)
 - g. Dr. Corey Waller Presentation (*Attachment 12*)
11. Data Reports (*Attachment 13, 14*)
 - a. Prevention Data
 - b. Treatment Data
12. Regional Updates – Greg Hofman, LRE CEO; Mark DeYoung
13. **Roundtable Discussion** – Chair
14. **Next Meeting** – June 3, 2020 4:00 PM at CMH of Ottawa County
15. **Adjournment** – Chair

Meeting Minutes (proposed)
SUD OVERSIGHT POLICY BOARD
Wednesday, December 4, 2019 4:00 PM
Board Room – CMH of Ottawa County
12265 James Street, Holland, MI 49424

CALL TO ORDER

As Mr. Sweeney LRE Oversight Policy Board Chair was delayed, Ms. VanDerKooi called the December 4, 2019 meeting to order at 4:05 p.m.

ROLL CALL/INTRODUCTIONS – Chair

In attendance: Al Dannenberg, Mark DeYoung, Marcia Hovey-Wright, Richard Kanten, Kate Kesteloot0Scarborough, Bryan McKissack, Stan Ponstein, David Parnin, Sarah Sobel, Stan Stek, James Storey, Patrick Sweeney

Phone: Shelly Cole-Mickens, Rebecca Lange, Molly Reid, Joan Runnels, Andrew Sebolt

PUBLIC COMMENT

No public comment

CONFLICT OF INTEREST

No Conflicts declared

REVIEW/APPROVAL OF AGENDA – Chair

OPB 19-016 Motion: To approve the December 4, 2019 LRE Oversight Policy Board meeting agenda as presented

Moved by: Dannenberg Support: Kanten

MOTION CARRIED

REVIEW/APPROVAL OF MINUTES – Chair

OPB 19-017 Motion: To approve the September 4, 2019 LRE Oversight Policy Board meeting minutes as presented.

Moved by: Dannenberg Support: DeYoung

MOTION CARRIED

REGULAR COMMITTEE BUSINESS

Licensing Applications Presentation(s)

NXT Phase Solutions – Kenneth Laakko

Mr. Laakko shared information on programs and services offered by NXT Phase Solutions. The organization's primary focus will be on driver's license assessments and educational programs, working to help individuals get their license back. NXT Phase has developed an on-line educational program. Clients are self-pay and no public funding is needed. The organization has received grants through Washtenaw County. No treatment services are provided.

OPB 19-018 Motion: LRE Oversight Policy Board to recommend that NXT Phase Solutes be granted a Substance Abuse License through LARA

Moved by: Stek

Support: Ponstein

MOTION CARRIED

Hope Network Behavioral Health – Lyndsay Martin

a. Robert Brown Center

b. Pivot

Hope network has received a grant through the state of Michigan to pilot a sub-acute detox service for co-occurring enhanced crisis residential service. Pivot is 16-bed unit located in Grand Rapids; Robert Brown Center is a 6 bed facility located in Holland.

The intention of the program is to provide behavioral health crisis residential for Mental Health, Co-occurring or Substance Use Disorders. This is expected to be short, acute-phase residential treatment. Individuals needing longer residential treatment will be diverted to other providers. The goal is to move individuals to lower level of care as soon as possible. The service is available to anyone in the community in crisis and will be provided on a first-come, first-served bases.

Hope Network is working to establish relationships with Outpatient SUD providers in the region. Pre- and post-scales and other tools will be used to determine improvement during an individual's stay. Hope is working with LRE to better understand and analyze outcomes data. The website is being updated and brochures will be available. This pilot will be run in 2020 to gather data and understand effectiveness of the program.

OPB 19-019 Motion: LRE Oversight Policy Board to recommend that HOPE NETWORK ROBERT BROWN CENTER and HOPE NETWORK PIVOT each be granted a Substance Abuse License through LARA

Moved by: Hovey-Wright

Support: Parnin

MOTION CARRIED

Lazarusman Counseling – Cedric Scott

Mr. Scott holds an LLC and CAC. Lazarusman Counseling was created to provide counseling services for individuals to explore their substance use disorder. Intended beneficiaries are adults and youth seeking treatment for Mental Health and Substance Use Disorders. Services are funded through self-pay arrangements. Follow up contact is made when authorized by the recipient.

OPB 19-020 Motion: LRE Oversight Policy Board to recommend that Lazarusman Counseling be granted a Substance Abuse License through LARA

Moved by: Dannenberg

Support: Kesteloot-Scarborough

MOTION CARRIED

Budget Status Report – Maxine Coleman
Statement of Activities – September 2019

Ms. Coleman reviewed preliminary reports for FY2019. Final report is due in February to the State. Budget adjustments will be made where appropriate. It is anticipated that the region will be overspent in Healthy Michigan and Medicaid SUD.

OLD BUSINESS

No Old Business

NEW BUSINESS

Legislation Activity Grid Review – Stephanie VanDerKooi

OPB members reviewed the grid to identify items that may require action and/or be prioritized for making recommendations to the Legislative Advocacy Committee of the Board.

Board members recommend that House Bills 4345, 4346, 4366 and 4367 be reviewed closely. Ms. VanDerKooi will forward these bills to the Legislative Advocacy Committee for further study.

Board Roster – Reappointment

Annual election of officers will be held during the March 4, 2020 meeting. Members whose terms are set to expire at the end of 2019 should contact their local Board of Commissioners to seek reappointment.

SUD DIRECTOR UPDATE – Stephanie VanderKooi

Partnership for Success

Report reflects data for year four of a five-year federal grant. The state identified which counties would participate (Muskegon, Mason, Oceana).

SUD Data Reports

LRE Board requested prevention and treatment numbers. FY20 data will be available in March. Members requested that trendlines be added to the report.

FY19 Prevention Numbers Served

Numbers served by provider and by county.

Gambling Disorder Grant Allocations

Upon completion of the strategic plan, an RFP was published seeking Gambling Disorder services from providers in the region. Proposals were submitted and five awards granted. These awards are grant funded and it is anticipated that funds will continue to be available after 9/30/2020. Stephanie has requested an additional \$40K to fund training for providers for gambling disorder treatment.

The State has asked that LRE present at the statewide conference in March.

GAIN Pilot

It was recently reported at a meeting that Director Gordan is reviewing the tool to determine if it is a tool that will be used statewide. For the time being, LRE will continue with implementation. A pilot program with Wedgwood Christian Services is underway to compile data toward better understanding of client engagement and site administrator experience. LRE has contracted with a GAIN Coordinator to assist with regional implementation.

MDOC (Michigan Department of Corrections)

Contract language has been delivered to MDHHS; waiting on approval. If approved, contract requirements will begin April 1 and will require that the PIHP oversee treatment for individuals coming out of prison who require SUD treatment.

REGIONAL UPDATES – Greg Hofman, LRE CEO; Mark DeYoung, Stan Stek

- Contract with MDHHS: LRE is currently operating on a month-to-month (30-day) contract with MDHHS while terms are established. Discussions are going well and moving forward. Looking to have an agreement that will take LRE through to the end of FY2021. LRE will continue to be the PIHP under the agreement with the state. However, there will be significant changes in the governance model and bylaws and operating agreement will be updated.
- State increased the behavioral health budget for FY2020; however, PIHPs are concerned with how revenue is being distributed. A group of financial experts is working with the state's actuaries to understand where the anomalies are originating.
- Past deficit: If the public/private venture with Beacon is to succeed, the state must determine how to address some of the deficits that are lingering in the behavioral health system.
- Director Gordon's presented his vision for Michigan's behavioral health system to the Joint House and Senate Appropriations committee. The plan will be presented to constituents and individuals receiving services. It appears the state is willing to look at various models. Full integration of physical and medical health would be required.
- LRE continues to work with Beacon Health Options to develop the managed care system

ROUNDTABLE DISCUSSION – Chair

Ms. Kesteloot-Scarborough provided an update on recovery congregations. Dr. Monty Bourke presented on November 18 to the five recovery congregations and met with providers and other congregations that might be interested in participating.

Ms. Cole Mickens commented on the PA2 funding issues, noting that the region has an effective recovery-oriented system of care. It is possible that PA2 dollars are significantly lower due to the quality of service provided in the region. She inquired as to the availability of data focusing on outcomes related to individuals in treatment and long-term outcomes for those in recovery, particularly from alcohol?

NEXT MEETING – March 4, 2019 4:00 PM at CMH of Ottawa County

ADJOURNMENT– Chair

OPB 19-021 Motion: To adjourn the December 4, 2019 LRE Oversight Policy Board meeting

Moved by: Dannenberg

Support: Hovey-Wright

MOTION CARRIED

Mr. Sweeney adjourned the December 4, 2019 LRE Oversight Policy Board meeting at 5:49 PM.

Patrick Sweeney, LRE OPB Chair

Lakeshore Regional Entity Oversight Policy Board

ACTION REQUEST**SUBJECT: LRE SUD Budget Amendment 1**

- Approval of PA2 Funds
- Advice and Recommendation to LRE Board for Budgets Containing non-PA2 (non-Local) Funds

MEETING DATE: March 4, 2020**PREPARED BY:** Maxine Coleman, LRE Interim CFO**RECOMMENDED MOTION:****The Oversight Policy Board:**

- (a) Approves the allocation of PA2 funds for the LRE as summarized below.
- (b) Advises and recommends that the LRE Board approve the non-PA2 fund budgets for SUD services as summarized below.

SUMMARY OF REQUEST/INFORMATION:

- Public Act 500 of 2012 requires each PIHP region to establish an Oversight Policy Board with certain roles and responsibilities relative to substance abuse services.
- The Lakeshore Regional Entity Oversight Policy Board is the Oversight Policy Board for Region 3 PIHP.
- Among other functions, the Oversight Policy Board is responsible to approve budgets which contain local funds and to advise and recommend budgets containing non-local funds to the LRE board for services within the region.

PROGRAM DESCRIPTION

| I. Describe the situation you intend to address: | |
|---|---|
| <i>Problem Statement: describe the problem that your activities are designed to improve.</i> | There is not adequate capacity to meet the requests of individuals requesting / needing Suboxone and Vivatrol. We currently have waiting lists with every MAT provider in the county. |
| <i>Describe the conditions that contribute to the identified problem (List the data sources if applicable)</i> | <ul style="list-style-type: none"> • Lack of adequate Medicaid funding to expand despite willingness of providers to meet the growing need • Sudden closure of MFC and the need to absorb their MAT patients • Expansion of the Muskegon County Jail MAT program and the need to have an aftercare plan for those who receive it |
| <i>Describe the program's target population. Be sure to identify if you are targeting any specialty or priority population.</i> | The target population are individuals who are assessed to have an Opioid Use Disorder , and who are willing to participate in an OP program which encompasses MAT as well as a therapeutic team to |

| | |
|--|---|
| | assist with recovery. |
| <i>Describe why your agency is best fit to provide this service?</i> | Healthwest has a continuum of care which includes an Integrated Health Clinic, access to psychiatry, as well as a solid history of providing Medication Assisted Treatment and substance use treatment. We are a CCBHC clinic and we have our substance use treatment license through the State of Michigan . |

II. Describe what you will do to address the situation:

| | |
|---|---|
| <i>Describe the program's activities (what are you going to do?):</i> | We have a Physicians Assistant who will provide MAT one day per week in our clinic. We want to staff this with a full time therapist and a full time case manager . The case manager can support the team in providing monitoring and linking to needed services. |
| <i>Describe the expected frequency of the activity(ies) and how you determined this.</i> | The State defines a minimum standard of therapy occurring once a week for individuals initiated on Suboxone. The prescriber also must see one time per week until the individual is on a stable dose of the Medication. |
| <i>Describe the number of persons in the target population you expect to serve during each activity event</i> | We will be receiving approximately 20 patients, perhaps more from Muskegon Family Care. The clinic will be able to take up to 50 individuals total. |

III. Explain the necessary costs for your program (provide narrative to support the resources identified that require money).

1 FTE MASTERS LEVEL THERAPIST- 85,000
 1 FTE CASE MANAGER /OR COACH- 68,404
 .25 Physicians Assistant -27,000
 Total: 180,404

IV. Describe the goals you have established for the program. (do not have to be measurable) (ONLY FOR NEW PROGRAMS TO POPULATE)

1. To expand Medication Assisted Treatment capacity in Muskegon County.

2. To reduce the number of fatal overdoses by expanding capacity.

3. To provide therapeutic services to support individuals in their recovery journey.

4. Click or tap here to enter text.

5. Click or tap here to enter text.

PERFORMANCE MONITORING (ONLY FOR NEW PROGRAMS TO POPULATE)

V. Describe how you will measure your program's success at meeting its goals. *(Please identify only those measures that make sense for your proposed program. Not all measurement categories identified below must be measured.)*

| | | |
|-----------------|--|---|
| Outcomes | Process: <i>Describe (in specifically measurable terms) what you hope to achieve during this grant period. These process indicators should measure such things as "how many?" "how often?" etc. Include benchmark or threshold for measurement as well as expected achievement date.</i> | 1. The program will strive to engage its participants and therefore have no higher than a 18% drop out rate. |
| | | 2. Each participant will receive at least one scheduled appointment a week for treatment, either individual or groups for the first three months . |
| | | 3. 90% of its participants will not be involved in a repeat offense with law enforcement (if currently involved) or will not offend if currently not in the DOC system. |
| | Participant: <i>Describe (in specifically measurable terms) what outcomes participants in your program can reasonably expect to achieve as a result. Include benchmark or threshold for measurement as well as expected achievement date.</i> | 1. 85% of participants will be able to manage their cravings and test negative for opiates within 90 days |
| | | 2. 75% will have clean drug screens after six months of treatment , and 95% will not show positive for opioids |
| | | 3. 80% will have some form of part or full time employment or training within one year of treatment. |
| | Impact: <i>Describe the impact you expect the program will have upon your community, target population, and/or intervention practices. Impact measurement is different from outcome measurement in that it is not consumer specific.</i> | 1. Reduce the number of Opioid overdoses in Muskegon County, by providing more evidence based treatment for this disorder |
| | | 2. Reduce the community Suboxone wait list to zero. |
| | | 3. Click or tap here to enter text. |

Oversight Policy Board SUD Director's Report March 2020

1. **TalkSooner Marketing Campaign:** Attached please find this year's marketing plan which will run in March and end in September.
2. **Gambling Disorder:** The LRE released a scholarship opportunity for treatment staff to attend the Gambling Disorder Symposium in March. In conjunction with this, an incentive is being offered to increase clinicians on the state's panel where they will receive referrals from the Michigan Gambling Hotline. Currently, we have five individuals that will receive the scholarship. Additionally, the LRE and KWB Strategies gambling disorder staff are presenting at the conference on our regional work.
3. **Michigan Department of Corrections (MDOC):** The LRE's contract was recently amended to include the MDOC language and priority population details. Regionally, an implementation plan is being developed at the SUD ROAT. Additionally, local meetings with MDOC staff, LRE, providers, and CMHSP staff have occurred and will continue to ensure a smooth transition. At this time, the state has not released an implementation plan. Note the start date is April 1, 2020.
4. **Dr. Waller Training:** The LRE thru SOR funding has retained Dr. Corey Waller of HMA to provide trainings on MAT and stimulants to the region. In October, he presented to over 250 behavioral health and health care professionals in Muskegon County and to over 300 in Kent county in November. His last training is going to be held in Ludington April 22. A flyer is attached with all the details.
5. **GAIN Update:** No formal update/contract adjustment from the department on the direction of this screening tool has been released.
6. **SUD Legislation:** Attached please find the updated grid of SUD legislation for your reference.
7. **LRE SUD Treatment Data:** Attached please find the monthly Treatment data pulled from BHTeds.

Subject: Michigan Legislative Summary
Date: Monday, February 24, 2020 2:30:41 PM

ALERT: This email was received from a source outside of LRE. Please consider the risks before clicking any links or opening attachments.

Stephanie- Here are summaries for the 6 senate bills and 1 house bill. All six senate bills are being treated as a package so far. Hopefully this helps. I added some basic potential actions as well but will know more based on committee hearings tomorrow.

State Legislation:

SB 781 [https://www.legislature.mi.gov/\(S\(lzzx3sbx4rog55ozubu4qqbi\)\)/mileg.aspx?page=getObject&objectName=2020-SB-0781](https://www.legislature.mi.gov/(S(lzzx3sbx4rog55ozubu4qqbi))/mileg.aspx?page=getObject&objectName=2020-SB-0781)

- Tax Act Amendments
- Defines an E-Liquid “consumable material”
- Defines Electronic Smoking Devices
- Changes Tobacco Product Definition to include “Consumable Material” Different tax rate 24% (wholesale rate is 32%)
- Money directed to the General Fund

SB 782 [https://www.legislature.mi.gov/\(S\(lzzx3sbx4rog55ozubu4qqbi\)\)/mileg.aspx?page=getObject&objectName=2020-SB-0782](https://www.legislature.mi.gov/(S(lzzx3sbx4rog55ozubu4qqbi))/mileg.aspx?page=getObject&objectName=2020-SB-0782)

- Licensing vapor vendor only
- Fee \$25
- Renewed Annually

SB 783 [https://www.legislature.mi.gov/\(S\(lzzx3sbx4rog55ozubu4qqbi\)\)/mileg.aspx?page=getObject&objectName=2020-SB-0783](https://www.legislature.mi.gov/(S(lzzx3sbx4rog55ozubu4qqbi))/mileg.aspx?page=getObject&objectName=2020-SB-0783)

- Provides multiple provision against marketing and advertising to kids
- Raises age to 21

SB 784 [https://www.legislature.mi.gov/\(S\(lzzx3sbx4rog55ozubu4qqbi\)\)/mileg.aspx?page=getObject&objectName=2020-SB-0784](https://www.legislature.mi.gov/(S(lzzx3sbx4rog55ozubu4qqbi))/mileg.aspx?page=getObject&objectName=2020-SB-0784)

- Swaps out 18 to 21 for retail and internet sales
- Requires 3rd party ID Checks by scanning ID
- Must use Third Party Verification for Internet Sales

SB 785 [https://www.legislature.mi.gov/\(S\(lzzx3sbx4rog55ozubu4qqbi\)\)/mileg.aspx?page=getObject&objectName=2020-SB-0785](https://www.legislature.mi.gov/(S(lzzx3sbx4rog55ozubu4qqbi))/mileg.aspx?page=getObject&objectName=2020-SB-0785)

- It amends the state penal code, makes minor changes like capitalizing the Postal Service. It retains allowing tobacco sales by mail and hefty fines for any person who mails tobacco products to someone who hasn't paid for them in advance (includes imprisonment, and crosses out 18 and inserts 21 in one area related to mail order of products.

SB 786 [https://www.legislature.mi.gov/\(S\(lzzx3sbx4rog55ozubu4qqbi\)\)/mileg.aspx?page=getObject&objectName=2020-SB-0786](https://www.legislature.mi.gov/(S(lzzx3sbx4rog55ozubu4qqbi))/mileg.aspx?page=getObject&objectName=2020-SB-0786)

- Provides exemption for the Age of Majority Act to allow the raising of the age to 21

HR4039 [http://www.legislature.mi.gov/\(S\(gnuxeq2kw3rxelupgskhdrin\)\)/mileg.aspx?page=BillStatus&objectname=2019-HB-4039](http://www.legislature.mi.gov/(S(gnuxeq2kw3rxelupgskhdrin))/mileg.aspx?page=BillStatus&objectname=2019-HB-4039)

- Raises the age of tobacco sales to 21
- Defines tobacco products to include ENDS
- Has not moved in committee since being introduced

Potential action will be to contact the sponsors and local representatives/senators to get amendments to these bills as they move through the legislature.

Federal Legislation: H.R. 2339 – Reversing the Youth Tobacco Epidemic Act of 2019. This is the federal legislation that addresses many key, critical issues around youth access to tobacco, including banning flavored tobacco. Michigan Representatives co-sponsoring are: Talib, Stevens, Dingell, Kildee, Lawrence, Slotkin and Levin.

This is expected to be voted on this week so potential actions after your board meeting would be primarily to thank the above representatives if any board members are in their districts. If Senate takes it up to contact Stabenow and Peters to voice support.

Paul Steiner

FEDERAL BILLS

| Priority | BILL # | SUMMARY | SPONSOR | |
|----------|-----------|--|--|------------------------------|
| | S. 2074 | The Mainstreaming Addiction Treatment Act is a bipartisan bill that would allow doctors and physicians to prescribe buprenorphine for addiction without the DEA waiver, as is currently allowed for pain relief. | Sen. Maggie Hassan (D-NH) | Introduced on July 10, 2019. |
| | S. 2032 | This bill would expand research on the cannabidiol and marihuana including for development of FDA-approved drugs using cannabidiol and marihuana. | Dianne Feinstein Sponsor. Senior Senator for California Democrat. Cramer, Kevin [R-ND]; Durbin, Richard [D-IL]; Ernst, Joni [R-IA]; Grassley, Charles "Chuck" [R-IA]; Kaine, Timothy "Tim" [D-VA]; Klobuchar, Amy [D-MN]; Schatz, Brian [D-HI]; Tillis, Thom [R-NC]; Alexander, Lamar [R-TN] | Introduced on Jun 27, 2019 |
| | H.R. 2698 | To provide grants to State, local, territorial, and tribal law enforcement agencies to obtain behavioral health crisis response training for law enforcement officers. | Kendra Horn Sponsor. Representative for Oklahoma's 5th congressional district. Democrat. | Introduced on May 14, 2019 |

| | | | | |
|-------------------|----------------|---|--|---|
| | S. 1365 | A bill to provide emergency assistance to States, territories, Tribal nations, and local areas affected by the opioid epidemic and to make financial assistance available to States, territories, Tribal nations, local areas, and public or private nonprofit entities to provide for the development, organization, coordination, and operation of more effective and cost efficient systems for the delivery of essential services to individuals with substance use disorder and their families. | Elizabeth Warren Sponsor. Senior Senator for Massachusetts. Democrat. | Introduced on May 8, 2019 |
| | S. 1258 | The Tobacco to 21 Act would set a national minimum tobacco purchasing age of 21. This would apply to all tobacco products, including vaping and e-cigarettes. | Brian Schatz Sponsor. Senior Senator for Hawaii Democrat. | Introduced on Apr 30, 2019 |
| Not ranked | S. 3032 | The “Strengthening the Tenth Amendment Through Entrusting States (STATES) Act” amends the “Controlled Substances Act” to allow states to create their own laws and regulations concerning marihuana and redefines marihuana to exclude industrial hemp. This bill states that marijuana operations must employ people 18 and older, cannot endanger human life, cannot be sold/distributed at rest areas/truck stops. Under this bill, Marijuana cannot be sold to persons under the age of 21, except for medical reasons. | Elizabeth Warren (D) Cory Gardner (R) Paul Rand (R) Catherine Cortez Masto (D) Lisa Murkowski (R) Cory Booker (D) Dan Sullivan (R) Michael Bennet (D) | 4/4/2019 - reintroduced in the 116th Congress in both the House and the Senate 6/7/18 – Introduced and referred to the Committee on the Judiciary Bill: https://www.congress.gov/bill/115th-congress/senate-bill/3032?q=%7B%22search%22%3A%5B%22Strengthening+the+5+Tenth+Amendment+Through+Entrusting+States+Act%5C%22%5C%22%22%5D%7D&r=1 One Page Explanation: https://www.warren.senate.gov/imo/media/doc/STATES%20Act%20One%20Pager.pdf |
| | H.R. 1587 | The Marijuana Data Collection Act would direct the Secretary of Health and Human Services to enter into a 10-year arrangement with the National Academy of Sciences to conduct and update biennially a study on the effects of State legalized marijuana programs, and for other purposes. | Tulsi Gabbard Sponsor. Representative for Hawaii's 2nd congressional district. Democrat. | Introduced on Mar 7, 2019 |

| | | | | |
|--|-----------|---|---|----------------------------|
| | H.R. 1109 | This bill would amend the Public Health Service Act to revise and extend projects relating to children and to provide access to school-based comprehensive mental health programs. | Grace Napolitano Sponsor. Representative for California's 32nd congressional district. Democrat. | Introduced on Feb 8, 2019 |
| | H.R. 712 | To direct the Secretary of Veterans Affairs to carry out a clinical trial of the effects of cannabis on certain health outcomes of adults with chronic pain and post-traumatic stress disorder, and for other purposes. | Luis Correa Sponsor. Representative for California's 46th congressional district. Democrat. | Introduced on Jan 23, 2019 |

International:

Canadian congress passed the 'Cannabis Act' on Tuesday, June 19th, 2018. This bill allows for the carry, use, growth, and preparation/consumption of marijuana for personal use. The commercial sale of marijuana will come from province, territory, or federally licensed producers, and cannot be sold in the same location as tobacco or alcohol. Minimum age of consumption has been set at 18 years. Canada has also created changes to their driving while impaired laws to address marijuana legalization.

Additional Information:

Congress negotiated a deal that would raise discretionary spending caps by upwards of \$300 billion over two years. Included in this deal is increased funding for non defense discretionary priorities. **This bipartisan budget agreement dedicates funding to address the opioid and mental health crisis by \$6 billion dollars over the next two years.** \$3 billion for FY18 and \$3 billion for FY19 is appropriated to combat the substance abuse epidemic, including enhanced state grants (with additional assistance for those states with the highest mortality rates and tribes), public prevention programs, and law enforcement activities related to substance abuse and mental health programs to address the opioid epidemic. Additionally, the National Institutes of Health (NIH) was appropriated \$1 billion for FY18 and \$1 billion for FY19 to support additional scientific research.

TalkSooner.org

APPROVED 2020 PUBLIC RELATIONS TACTICS

2-18-20

March/April

Grand Rapids Children's Museum (GRCM)/Consumer Engagement

- Spring Break for GRPS, Allegan schools – April 3-14.
- Aligns with National Drug & Alcohol Facts Week (NDAFW) March 30-April 5
- SPR (Karen Kirchenbauer and Patricia Minaya, in branded TS attire) provide on-site consumer engagement; 4 hours during week of March 30-April 5, and 4 hours during April 3-14.
 - Provide any swag/give-aways/materials, wallet cards, demo on phone, ipads
 - Table near “to the Rescue” first responder renovated area on second floor.
 - NO GRCM charges/community service/value to GRCM attendees
 - Supplement with Geo-Fencing Campaign (see below)

Geo-Fencing/Geotargeted Campaign – March 16 – April 30

- Attendees in/around GRCM, and other Museums (Fennville, Ludington)
- Possible neighborhoods/areas/regions in Metro GR
- Include Display/Google (zip code /radius) & Social ads – TS to provide creative assets
- Consider as pilot to possible repeat in Aug – Sept.

May (National Older Americans Month)

CHANNEL 13/ON YOUR SIDE/WZZM:

- Create “grandparents” type Public Service Announcement message featuring one or more of its lead Morning Show talent (asked for Kamady Rudd, new Mom, her parents are first-time grandparents/live out of town, so Skype), Angela Cunningham, Mom to 9-year-old son, longtime champion of Talksooner/prevention, outreach to diverse audiences.
- Channel 13 would create the PSA and air during a specific time frame that aligns with lower budget.
- Station’s reach is strong in Kent and Muskegon counties, some Ottawa and some Allegan.
- Would air during May – National Older Americans Month

June – Mid Aug.

WWMT/Channel 3 – ADDICTED Michigan alignment

- * Air spot during the 6p news on Wednesday and 8a news on Sunday, which is when the Addicted MI segments air. WWMT would do “its best” to air close to when Addicted Michigan segment airs, but it would definitely be during one of the news breaks.

6p News: (Audience 18+ = 30.8k)

8a News Sunday (Audience 18+ = 15.2k)

11 weeks on Sunday + 12 weeks on Wednesday

- TBD – Creation of Spot – TS produced with “local” face or Station which may increase fee.

July – Dec., 2020+

Mercy Health Partners:

- Expand the campaign to 90 physician, pediatrician and Urgent Care locations within the Mercy Health footprint (aligns with LRE footprint with the exception of Allegan County).

HEALTH PROJECT

A COMMUNITY BENEFIT MINISTRY OF MERCY HEALTH

- Extend the campaign beyond the “back to school” window – keep materials displayed as long as possible/display quality remains intact
- Extend TS collateral materials to include 11x 17 posters (display on backs of exam doors) table tents for use in lobbies/common areas, and tear-off pads for exam rooms– like a “prescription-style” 4.25 x 5.5” or 4” x 8” note pad for physician/staff to give to parents. TOTAL ACCESS OF 700 EXAM ROOMS ESTIMATED!!
- Publicly demonstrate its endorsement of campaign by extending Mercy Health & Health Project/Mercy Health Community Project logos on collateral materials

Drafts

(Poster for exam room)

(Prescription pad for physician notes to parents)

(Table tents for lobby areas)

- Use Mercy Health’s printer/rates for maximum efficiency/savings, and distribution costs
- Invite LRE member to its June, 2020 Practice Manager meeting to preview materials, share partnership, overview of campaign
- Include a “letter of instruction” from LRE/Mercy (SPR to develop) in the mailings to all 90 offices, with a link to a digital tool box of materials as well.
- Share public/media relations opportunities that bring awareness to hospital’s embracement of campaign (SPR to develop and facilitate)
- SPR will design all materials, facilitate approvals with LRE & Mercy Health, and include

August:

Channel 9/10 News: TBD

Work collaboratively to develop a Public Service Announcement for this market

Other Considerations Given Flexibility of 2020 Plan:

Second GeoFencing Campaign – Fall, 2020

Account Management and Deployment of all activities, details, updates

###

July 29, 2020

9:30 am- 2:30pm

Ottawa County Fillmore Street Complex-Administration Building

12220 Fillmore St

West Olive, MI 49460

LRE Problem Gambling Regional Meeting

Who should attend?

- Prevention Specialists
- Treatment Providers with an interest in gambling disorders
- Stakeholders with an interest in preventing and reducing problem gambling in the LRE Region.

What will be addressed?

- Progress Updates for the LRE Strategic Plan for Gambling Disorder Prevention
 - Five local FY20 projects funded by LRE
 - Regional initiatives
- Provide input into regional initiatives for FY2021; including development of a social marketing campaign
- Roll out of Request for Applications (RFA) for FY2021 GDP Projects

What is my part?

Provide input and suggestions for how the region can work to....

- improve treatment availability for individuals with a gambling disorder.
- advocate for gambling related issues.
- improve identification and referral to treatment for gambling disorders.
- prevent problem gambling among youth, adults, and seniors.

Facilitators: Kori Bissot and Kelly Kondrat, KWB Strategies

Lunch will be provided

CEU: 2 MCBAP and Social Work hours will be available

LAKESHORE REGIONAL ENTITY PRESENTS
TRAINING OPPORTUNITY
FOR SUD TREATMENT AND MEDICAL PROFESSIONALS

NEW TRENDS IN MEDICATION ASSISTED TREATMENT

**Attendees will learn about new treatment trends and best practice in:
Medication Assisted Treatment techniques, Methamphetamine and Benzodiazepines.**

| | |
