
Substance Use Disorder Director's Report July 2020

1. **Gambling Disorder Grant:** Please see the attachment for further details on this project from Kelly Kondrat our Gambling Disorder Coordinator.
2. **Site Visits:**
 - **Partnership For Success (PFS) SUD prevention grant:** The site visit with the Department took place May 18th. It was conducted virtually with Mason and Oceana counties. Due to Muskegon (Mercy Health) staff being furloughed for an indefinite amount of time, the Muskegon portion is still postponed and not scheduled. No summary from Mason and Oceana has been provided to the LRE yet.
 - **SOR grant site visit (SUD prevention and treatment):** was conducted June 25th and the formal write up is attached for your review. It provides a nice summary of what the grant funds in our region.
 - **LRE SUD Prevention audits/site visits** are currently scheduled to be conducted virtually June-September these are conducted by the SUD Director.
 - **LRE WSS Site visits:** are currently scheduled to be conducted virtually during July-August. These are conducted with CMH SUD Treatment staff and LRE's SUD Director.
3. **SUD Regional Strategic Plan:** The 3-year strategic plan has been submitted to the Office of Recovery Oriented Systems of Care (OROSC) for their approval. Upon their approval, a final copy will be placed on the LRE website and shared with the region. The LRE would like to thank all providers and staff who helped coordinate and write this plan.
4. **SOR Grants:** State Opioid Response (SOR) grant is in its 2nd year and we are being asked to provide any carry-forward requests to the state to carryforward the unspent funds into FY21. Additionally, SOR Part 2 funding (note: this is a new grant) will be awarded to our state for FY 21 and FY22. Currently, the LRE SUD team in conjunction with its prevention providers and CMH treatment leads are working on the plans to use these funds in the region during FY 21 and FY 22. Once allocations and plans are finalized by the state, this information will be shared with the board.
5. **SUD Legislation:** Attached please find the updated grid of SUD legislation for your reference and note the several new tobacco related bills.
6. **LRE SUD Treatment Data:** Attached please find the monthly SUD Treatment data pulled from BHTeds.
