### I. PURPOSE

TO comply with federal and state mandates to assure that access to and services performed for consumers are provided by individuals who are permitted by law and are qualified to perform the services.

### II. POLICY

Lakeshore Regional Entity (LRE), Member Community Mental Health Service Providers (CMHSP), and Network Providers will conduct criminal history checks prior to hire, contracting, and/or service. LRE, Member CMHSPs, and Network Providers will not employ, independently contract with or grant clinical privileges to if the individual will regularly have direct access to or provide direct services to consumers, and the individual is prohibited by law from having the access or performing the services due to a criminal conviction. Criminal history checks will occur prior to hire or contract initiation, and minimally every two years thereafter.

LRE, its member CMHSPs, and contracted providers will not employ, contract with, authorize services for, reimburse services for, or seek reimbursement for services delivered, prescribed, or ordered by any individual if:

1. The individual has received a criminal history check that indicates a mandatory disqualifying conviction listed in Subdivision (1) in the table below (42 USC 1320a-7a, Michigan Medicaid Provider Manual Section 6 Denial of Enrollment, Termination and Suspension).
2. The individual has been the subject of a substantiated finding as described in Subdivision (8) in the table below;
3. The individual has direct access, or provides direct services, to consumers in a prescribed setting (inpatient psychiatric, specialized residential) and the individual has received a criminal history check indicating a time-limited disqualifying conviction for which the time limitation has not yet been satisfied (listed in Subdivisions 2-7 in the table below) (MCL 20173a, MCL 330.1134a, MCL 400724b);

If an employee or non-employee agent or Subcontractor/Network Provider is found to be ineligible, LRE will remove/require removal of the employee from direct responsibility for, or involvement with, the Medicaid program, or for the termination of the Subcontract/Network Provider, as appropriate.

#### A. Background Checks

1. **Specialized Residential and Psychiatric Inpatient settings:** Inpatient psychiatric facilities and licensed adult foster care homes shall follow Michigan Department of Health and Human Services (MDHHS) Michigan Workforce Background Check procedures for obtaining criminal background checks and fingerprints (MCL 2333.20173a; MCL 330.1134a; MCL 400.734b). The Workforce Background Check system alerts employers to ongoing criminal activity, so biannual re-checks of criminal history status are not necessary.
2. **LRE and all other settings:** Entities shall ensure its background checks are completed by an organization, service, or agency that specializes in gathering the appropriate information to review the complete history of an individual. Use of the state of Michigan Offender Tracking Information System (OTIS) or a county level service that provides information on individuals involved with the court system are not appropriate resources to use for criminal background checks.
  - a. Entities shall secure written consent from individuals who apply for employment, contracting or volunteering, at the time of application, for the entity to conduct a criminal history check.
  - b. Background check documentation shall be maintained in the employee record and shall include the following (which shall be updated every two years for those individuals having direct access or providing services to customers):
    - i. OIG exclusion verifications to ensure no mandatory disqualifying convictions from 42 USC 1320a-7(a), or other exclusions.
    - ii. Queries for state offenses committed in the state of Michigan.
    - iii. If the individual has resided in any other state in the 5 years prior to application, or since age 16, whichever is less, queries of those states' criminal background systems (required for initial background check only, unless the individual resides part-time in another state).
    - iv. A statement signed by the individual that indicates that he or she has not been the subject of a substantiated finding as described in Subdivision (8) of the table below.

#### B. Reporting

1. **LRE INTERNAL:** All employees, directors, managers, and individuals with any other type of employment or consulting arrangement with LRE are required to

report the following to LRE Human Resources designee within five (5) days of conviction or assessment imposition:

- a. Any criminal conviction, felony or misdemeanor; and/or
  - b. The imposition of civil money penalties or assessments imposed under section 1128 A of the Social Security Act.
2. **EXTERNAL:** Criminal conviction results are to be disclosed to LRE by Member CMHSPs and Network Providers with regard to those offenses as detailed in sections 1128(a) and 1128(b)(1), (2), or (3) of the Social Security Act, or that have had civil money penalties or assessments imposed under section 1128A of the Act.
3. **MDHHS:** LRE will notify the MDHHS Behavioral Health and Developmental Disabilities Administration (BHDDA) Division of Program Development, Consultation and Contracts when disclosures are made by providers with regard to any offenses detailed in sections 1128(a) and 1128(b) (1), (2) or (3) of the Social Security Act, or that have had civil money penalties or assessments imposed under section 1128A of the Act.

#### C. Compliance

1. Although criminal background checks are required, it is not intended to imply that a criminal record will necessarily bar employment. The verification of these checks and justification for the decisions that are made should be documented in the employee personnel or interview file. Decisions must be consistent with state and federal rules and regulations regarding individuals with a criminal history.
